Dear Parent

Parents Tour (3.45pm – 5pm) then Literacy and Numeracy Information Evening (5pm - 6.30pm) – Tuesday 18th of September

You are cordially invited to join your son/daughter for a tour of their school. This evening is designed to allow you access to your child's daily experience. We believe that by gaining a more complete understanding of their world you will be in a better place to understand and support them in their education.

Unlike traditional parents' evenings there are no appointments or reports from teachers on progress- this will be on the 12th of February. We ask that you meet your child at the school entrance and then be led by them throughout our many buildings. Classrooms will be open and we encourage you to explore them.

At Peebles High School we recognise that Literacy and numeracy are at the heart of learning and understand the important role that parents can play in developing these core skills for life and work. We therefore write to extend an invitation not only to the tour but also to our Literacy and Numeracy S1 Parent Information Evening.

We hope that you are able to join us to hear more about our S1 English and Mathematics courses, meet members of our teams and learn how you can support your child in not only these important curriculum areas but in applying their literacy and numeracy skills across their learning.

Our event will begin with presentations in the hall at 5pm. This will be followed by 2 workshops (covering literacy and numeracy respectively).

It would be helpful if you could complete the slip attached - this will reassure us that letters have made their way out of school bags and allow us to plan for the workshops.

We look forward to working with you and your child over the course of their time at Peebles High. If we all work together, our young people will show that they can achieve great things.

Yours faithfully,

Mr Paul Fagan
Head Teacher

PEEBLES HIGH SCHOOL
